

LIFE IS A JOURNEY.....

Our property is named after Charles A. Lindbergh who made one of the most famous journeys of all! In 1927, he became the first person to fly solo across the Atlantic Ocean. You won't need to travel that far to find the perfect place to live; we're right here in Fort Worth.

Specially designed for seniors, we know you will enjoy the lifestyle here at Lindbergh Parc. You'll meet new friends playing bingo, or while enjoying an afternoon of live music. Or find a partner to work out with at the fitness center or swimming pool. Our all-enclosed community means that you won't need to go outside to get your hair done at our very own Beauty/Barber Shop, buy groceries from our General Store, or watch a movie in our Movie Theater with extra comfortable lounge chairs. Our computer center is inside too, so you can catch up on e-mails or search for answers via the internet.

While every resident's front door opens to a climate controlled interior hallway, you still have a full-sized patio to lounge the day away, or grow some gorgeous plants and vegetables. Whatever path you are on, we know we have just the perfect home for you!
